## Support the All Saints Christmas Appeal

During its first year, Care4Calais focused efforts on donations to the thousands of refugees in 'The Jungle' camp in Calais. Now, one year after the camp was cleared, the focus is on supporting those who still arrive in Calais and other ports, and end up sleeping rough with hopes dashed that they will make it to a place of security. These are people fleeing war, persecution, poverty and all are looking for a future for themselves and often for their families.

In these winter months suitable clothing is at a premium and—now that this particular aspect of the refugee crisis is out of the news—Care4Calais's supplies are dwindling. So they have launched a Coats4Calais campaign which we are supporting.

To support this appeal you can:

### **Donate**

£25 allows Care4Calais to buy a warm waterproof coat, and every donation helps. Visit <https://mydonate.bt.com/fundraisers/coats4calais>.

### **Buy a coat**

Here is a suggestion: [https://www.decathlon.co.uk/arpnaz-300-rain-mens-waterproof-3-in-1-jacket-black-id\\_8343503.html](https://www.decathlon.co.uk/arpnaz-300-rain-mens-waterproof-3-in-1-jacket-black-id_8343503.html).

### **Donate one of your own coats**

But make sure it is warm, waterproof and in good condition.

Please bring your coat to All Saints. A delivery of coats will be made to Calais in early January 2018.
